CRICKET DIXON

LOH is proud to have the accomplished and energetic **Cricket Dixon** on our team of talented trainers. Cricket's motto is "Life is short. Ride the best horse first" and she will ensure that you get the most out of your training program, too. Cricket's credentials are quite impressive. She was a competitor in the 1997 Rolex 3 Day Event, riding J. Piper Muldoon and competed for many years from Beginner Novice through CCI riding horses she developed. An active USEA Area VII Adult rider, Cricket has also been a selector for the Area Young Rider program, and USPC (US Pony Club) instructor.

"I love horses and my life with horses, and enjoy sharing this love and lifelong knowledge with my students."
