## *Class Explanations:*

(please read carefully before entering!)

*Gambler's Choice:* Numerous jumps will be set around the ring with different point values. Riders will have a certain amount of time to jump whichever jumps they want (maximum x2 per jump) in order to earn the most points.

*Stick-a-heart:* Each rider will receive 8 heart shaped stickers. Riders must “stick a heart” on the letters on the arena wall at S, E, V, K, F, P, B, & R). Rider who completes with best times wins.

*Pole Bending:* Riders will weave through six vertical poles by first riding to the end of the line, weaving towards home, weaving away from home, and then finally riding straight home. Fastest time wins. (Pattern will be explained before class)

*Heart Relay: (Team of 3)* Riders must successfully navigate pattern and hand off the heart to the next Team Member. Best Team Time Wins. **Please list your team members in space provided on registration form.**

*Rose and Spoon Race:* Riders will be asked to walk, trot, possibly canter with a Rose Bloom(Artificial) balanced on spoons. Riders must complete all movements without dropping the rose.. Riders can opt out at any time but may be asked to walk, trot, and canter if they choose to remain in the class.

*Red Light / Green Light:* Riders can ride “green lights” at any pace, but some will most likely be cantering and, in the event of horses starting to race, riders should feel comfortable at walk/trot/canter.
